Our investigation of the dispute you submitted is now complete. The results are listed below and a new copy of your credit report is enclosed.

If our investigation has not resolved your dispute, you may add a 100 word statement to your report. If you provide a consumer statement that contains medical information related to service providers or medical procedures, then you expressly consent to TransUnion including this information in every credit report we issue about you.

If there has been a change to your credit history resulting from our investigation, or if you add a consumer statement, you may request that TransUnion send an updated report to those who received your report within the last two years for employment purposes, or within the last one year for any other purpose.

If interested, you may also request a description of how the investigation was conducted along with the name, address and telephone number of anyone we contacted for information.

Thank you for helping ensure the accuracy of your credit information.

The first step in preventing or minimizing the damage of a bug is to understand what it is and how it affects your credit. Just as a lender uses this information to decide whether to give you a loan, you can use it to determine when you are ready to apply for it. Most of them provide you with the VantageScore 3.0, but many lenders rely on the FICO score. The top three credit reporting companies are Experian, Equifax and TransUnion. TransUnion.
